Dear Bro/Sis in Christ,

Greetings to you in Jesus most precious name!

At the outset I am glad to start our Newsletter once again to help you understand what's going on in our ministry bringing to you the prayer points and praise reports for the glory of God.

Ministry Update: *Further to my previous Newsletter in Jan'18 upraising you about officially closing down our Children's Home on the advice of the concerned government official on 31st Dec'2017, I am glad to announce that he again visited us upon my request on completing a small facility at our own premises at Palgutta Village, Chevella Mandal, for inspection and pre-approved us to start the Children's Home once again. However, a second inspection from the Child Working Committee is pending and we as Board members decided not to take new kids till all the government formalities will be completed.*

Shifting to our own premises: *Anticipating that the government would once again allow NGO's to continue with Children's Homes, we could complete the construction of a small facility for just a few handful of kids to stay with us. We the Board members dedicated the place for the Lord's glory in the month of April 19. Eventually, though we have only 2 kids presently, shifted to our premises soon after the vacations were announced. Our kids were happy and are enjoying the huge piece of land by way of gardening, playing Cricket and football and other games. They have now got used to the new place and adjusted well here.*

Children's Home Updates: *As you know, despite closing down our Children's Home, we still had 2 kids staying back with us as they had no one to care for. We also helped our Warden by continuing*

her services as per her request to stay back and care for the 2 kids we had. As such, she was obliged to work with us at a reduced salary, as almost all the one-time donors stopped donating to our Children's Home since the time we officially closed down the facility. Our income from donations has fallen to only Rs.17000/- a month (regular donors) from nearly Rs.42000/- a month. Equally our expenses have fallen from Rs.72000/- a month to Rs.21700/- (Warden sal 4000/- + Accountant sal 2500/- + Rent 5500/- + Groceries 2500/- + Veg & Non-veg 1000/- + Milk 800/- + Gas 800/- + Tata sky 300/- + school fees 2000/- for 2 kids + medical, stationery, toiletries, extra-curriculars 1000/- + Electricity Bill 800/- + Telephone 300/- + Water Tankers 1000/-). But even then we have always been in deficit whether during the full functioning of the Children's Home with a couple of donors or we have only 2 kids to support now with only 7 regular donors. Whatever the case is, we are grateful to God for His faithfulness in sustaining us.

Challenges we face: Everything went off well at our new facility when we suddenly faced few challenges. The Borewell water depleted and we were hardly getting bucket of water and once again we had to engage water tankers at 1 tanker (@ Rs.1000/-) a week (for cooking, washing, bathing, drinking). We had to engage a watchman (@ Rs.15000/- a month) at the premises as per the guidelines of the concerned govt. department. We have to walk a long distance (4 kms to and fro) to buy milk daily. There are no milk venders who can come to our place. We have to go to the village on alternate days to buy vegetables, which is about 3kms away from our place. Our children have to travel about 10 kms daily to and fro school.

Our needs: Having informed the above, I would like to express our needs for this new premises:

1. Another Bore well to be dug if we do not get sufficient rains this year.
2. A used 2-wheeler in good condition even if it crossed its permissible 15 yrs of registration.
3. A used 4-wheeler in good condition even if it crossed its permissible 15 yrs of registration.
4. A pair of buffaloes for milk and milk products and even to raise little funds by way of selling the milk.
5. A drip irrigation to plant trees and vegetables by utilizing less water.
6. Children's play area things like a slide, swing, merry-go-round etc.
7. Precast concrete fencing around our premises.

I most earnestly request you to uphold us in your prayers for God's guidance concerning this ministry He blessed us with and continue your support to carry on the Kingdom work. We encourage you to continue your support to make a difference in the lives of many kids and women in the days to come.*
