Dear Bro/Sis in Christ,

Warmest Greetings in Jesus most precious name!

Can you believe we are almost at the end of this year? Time passed so quickly and so many things happened. From the mid-year onwards the news headlines were mostly about the new government that is formed in India and its reforms. And internationally the news was mostly about ISIS, Ukraine and Ebola. With all this, our lives were moving in the direction God intended to move and I am glad to share about our ministry activities and how the Lord blessed us through September and October'14.

Apart from meeting all the needs of our ministry in a most amazing way, the Lord is inspiring people from different walks of life to be a blessing to our Kids Home from time to time.

***Sapna, a new believer making a difference in the lives of the orphans:** Sapna is a business woman, who runs a private job placement cell. She trains people in communication skills and prepares them for job interviews. She is from a non-Christian background. However, she heard about the Gospel of Jesus Christ and embraced Christianity. She experienced the love of God and wants to share it with our Kids and makes it a point to visit them whenever time permits and especially when some Kid celebrates his/her birthday. She blessed Vennela on her birthday on 5th September with a beautiful new dress, Cake and special food. She believes in practicing **James 1:27**, "Religion that God our Father accepts as pure and faultless is this: to look after orphans and widows in their distress and to keep oneself from being polluted by the world". NIV*

Likewise we also celebrated the birthdays of three of our boys on 3rd Aug (Vamshi) and 23rd August (Dilip and Mani,) respectively.

Founder of He Intends Victory visits our Kids Home: Bruce Sonnenberg, the Founder and International Director of He Intends Victory, an Organization having its presence in 22 nations world wide and reaches out to the HIV/AIDS infected/affected people with the love of God, visited our ministry on the 5th October'14. He was accompanied by his friend Michael Buccino, a wonderful landscape architect. Both of these men of God were an immense blessing to our Kids in Hyderabad and also in Odisha. They have shared their unconditional love and affection with our Kids and we together could minister to many in both the places.

Bruce and Mike spending time with the kids

Apart from spending quality time with the kids, together we conducted a HIV awareness program at Bhuvaneshwar, Odisha, where about 50 people were blessed to hear all about this disease for the first time. Some of the women commented, "we are blessed to have heard all about HIV, which otherwise we were ignorant about this disease. This information is very valuable to us and we will go and share the same with all our relatives and friends cautioning them of this killer disease". Later after one to one interaction they were all dispersed after a sumptuous lunch. We are thankful to Pas. Prem and his family, who arranged this meeting.

Tata Consultancy Services team's visit: A team of 10 members from TCS visited our Kids Home on 12th Oct'14 as part of community outreach. They have blessed our Kids Home with a 4 Burner Gas Stove and a Wet Grinder, apart from groceries, sweets and Biryani for the kids. These 2 material needs were pending for a long time, and Karthik, the head of this team immediately responded and said he experienced immense joy in meeting these needs.

The members spent much time with the kids involving them in workshops and entertained them with dance and games. All the kids enjoyed their day and thanked God for the love He showered upon them through these wonderful young professionals.

***Our sincere thanks and gratitude:** The Neolife Mission Board stands united to express our sincere thanks to all of you who pray and support our ministry in fulfilling God's will for these special Kids. We appreciate your special contributions and gifts for our Children very much and assure you of our continued prayers. In due season, God will bless you with His rewards.*

***Our Invitation:** We encourage all those who want to see our work to please visit our Kids Home personally and bring smiles on their faces by your presence, as the Bible says, "Pure religion and undefiled before God the Father is this, to visit the orphans and widows in their affliction, and to keep himself unspotted from the world" - James 1:27 KJV.*

More than any help, it is your presence that makes a difference in the lives of these kids as they feel secured in the fact that there are people who care for them and want their welfare.

Please pray for:

God's provision to own a 10 acres land to house all the future projects. (The present Home is a rented place and is almost full to its capacity. If we have to take more kids, we have to move to a bigger portion elsewhere. But will be gripped with the fear of being asked to vacate the portion at any time).

God's provision of all the resources to run the Children's Home effectively.

God to guide us in shaping the lives of these kids in a way that is Holy and acceptable in His sight.

God's grace to bless our kids with wisdom, knowledge and understanding so that they may come out with flying colors in their academics.

More donors to come forward and expand the tents of this ministry.

We give all the glory, praise and honour to our Lord for His faithfulness in our lives and ministry. We wish God's abundant blessings to all those who pray for us regularly and support us in our work.

In Christ,

Trevain, ED/Founder Director

Promise of the month:
