

transforming lives for good...

Dear Bro/Sis in Christ,

Warmest Greetings in Jesus most precious name!

As the November chill is setting in, we all are reminded of the forthcoming Christmas which is the reason for the season and getting excited to celebrate the Lord's birth.

On the ministry front I want to share with you the good things God has been doing through the month of October'13.

Kims Open Doors: Kim Bogart, a Missionary to India from Florida, USA, who visited along with Franklin Graham's team when they conducted the Festival of Peace in Hyderabad during November 2011, got to know about our Kids Home through a dear brother in Christ, Rev. Ravuri Samuel. Eversince, she has been a great blessing to our Kids Home. She has been visiting India every year during October-November. She again visited us during October'13 with her team of

5 members. They spent time with our kids, making them play, learn, laugh and have fun. They have vowed to support our Home unconditionally. Kim said, *"We have visited many other Kids Homes in the city of Hyderabad, but Neolife really touched our hearts. We could find peace when we visited this Home and so we are partnering with them"*.

We praise God that without our initiative in inviting Kim to our Home, the Lord Himself brought them to us through a dear brother in Christ and got them connected to us. I must mention that Kim has taken full responsibility of supporting our Home with the rent of ₹.7000/- for one whole year since January 2013 apart from helping us with few other things. We are blessed by this wonderful sister in Christ who is impacting the lives of our Kids with her love and concern for them.

Hostellers making an impact on the Home Children : A group of youngsters made it big in our Children's Home the other day and brought smiles on the faces of our Kids. This group of young people were all brought up in different hostels in our City. They all are now well settled in good jobs and are reminded of their own days while in their Hostel. They are grateful to the Hostels that helped them in their food, education and accommodation and brought them thus far.

These youngsters unlike the others of today, who think spending time in Bars and Pubs is their pass time or fashion, chose to spend their time qualitatively and quantitatively with the kids and shared with them how they faced their days and how the kids are privileged to stay in our Kids Home with all the wonderful facilities. They shared how the kids are to conduct themselves so that, tomorrow all of them would also be well settled in life to touch the other underprivileged children's lives. They taught the kids about hygiene and how they can be healthy by making

healthy choices. They bought a special meal to all the kids and had their lunch with them. The group headed by Mr. Priestly Gavis is consisting of over a hundred friends who are spread across the world, but make it a point to meet atleast once a year compulsorily to discuss what they can do for the underprivileged. May God bless this group as they continue to make a difference in the lives of many kids who are deprived of their fatherly or motherly love.

Our needs: It costs us Rs.3500/- per month to take care of a Child and covers the expenses for food, clothing, shelter, education, groceries, electricity, water, salaries to the staff, milk and snacks, veg and non-veg, stationery etc. We presently have support for only 3 kids. We still need support for 9 kids as the total number of kids this year is 12.

By the grace of God, we have all the things needed for the Kids Home. But we constantly live with a threat of being asked to vacate the place as it is a rented portion. Therefore, we look forward for God's providence to buy our own place of 10 acres of land keeping in view of the future projects that we want to do, like Destitute Women's Home, Old Age Home, Vocational

Training Center, School, Clinic and a Chapel apart from the Children's Home. It costs us about 35 Lakhs to own a land and we could raise about Rs.5 Lakhs locally until now.

If you are inspired to help us in any ways possible for the above needs, you can do so as the Lord leads you in fulfilling the Vision He gave us.

Our sincere thanks and gratitude to you: The Neolife Mission Board stands united to express our sincere thanks to all of you who pray and support our ministry for the furtherance of God's kingdom among this special community. We appreciate your contribution very much and assure you of our continued prayers. In due season, God will bless you with His rewards.

Our Invitation: We encourage all those who want to see our work to please visit our Kids Home personally and bring a smile on their faces by your presence, as the Bible says, "Pure religion and undefiled before God the Father is this, to visit the orphans and widows in their affliction, and to keep himself unspotted from the world" - James 1:27 KJV.

More than any help, it is your presence that makes a difference in the lives of these kids as they feel secured in the fact that there are people who care for them and want their welfare.

Please pray for:

- God's provision to own a 10 acres land to house all the future projects.
- God's provision of all the resources to run the Children's Home effectively.
- God to guide us in shaping the lives of these kids in a way that is Holy and acceptable in His sight.
- For more donors to come forward and expand the tents of this ministry.

We give all the glory, praise and honour to our Lord for His faithfulness in our lives and ministry. We wish God's abundant blessings to all those who pray for us regularly and support us in our work.

In Christ,

Trevain, Founder Director
